Greetings to you all in the name of Christ Jesus our Lord.

I would imagine at this point one would have to be the proverbial ostrich with its head in the sand to not have seen or heard accounts of the tragedy that continues to unfold in Southeast Texas and Western Louisiana. Many of you will no doubt be moved with a desire to help and may even be formulating your own plans for how our parish can assist. Compassionate hearts are wonderful, but at this point it would be foolish for us to attempt to send teams of people into an already chaotic and dangerous environment. In an effort to maximize our potential assistance to people on a more intimate and local level, I am asking for you to join me in the following initial course of action:

1) Pray for those who have been affected.

2) St. James will set aside $5,000 from our currently budgeted funds for Outreach in order to provide assistance to those in need who were affected by the Hurricane in Southeast Texas.

3) In conjunction with this action, we will be accepting further monetary assistance from everyone who feels compelled to provide assistance. Donations can be made online at our www.stjamesfairhope.org, then follow the link to “give.” After you are prompted to enter an amount, click “next” and you will be asked where to direct your donation and you can simply select “Hurricane Harvey Relief.” You may also bring your donation to the church office, or include an offering in any of the collections on Sunday, Wednesday or Thursday worship services. Please make sure to mark your check or cash (envelope) with “Hurricane Harvey Relief.”

4) We are beginning to establish a relationship with a church, or group of churches, in the areas that were hit hardest by the flooding and the destruction - not necessarily in the Houston area. Our rationale here is that after experiencing Hurricanes Ivan and Katrina, we all understand that media coverage is often focused on the larger metropolitan area of Houston, but there are many people in smaller outlying communities that will have been devastated as well, and not have the benefit of national media attention. Without receiving the widespread attention, we believe these areas may be overlooked to some extent in the outpouring of help, and thus we can make a difference.

5) We will continue this relationship with this church or group of churches over the next many months in order to provide ongoing assistance with cards, needed and desired items, prayers, and even sending teams to assist with removing sheetrock, rebuilding, etc., for short missions.

While we are not large enough to help everyone who has suffered loss, we can make a difference, especially if we focus our efforts. St. Paul's Daphne will be partnering with us in this endeavor, and we have also invited other Episcopal Churches from Baldwin County to join us as we move forward. May you always know your blessings.

In Christ’s Joy and Love,

A Message from The Rector

**Dear Friends,**

Connie and I are so very grateful for the kindness shown our family during the recent “Founding” as we moved into our new home. I am not sure of the origin of this term, but I know we carried many pounds of gits, peanut butter, cooking oils and paper goods into our home last week, thanks to your generosity. You were so thoughtful in thinking of the kids too with products like microwave popcorn and Gatorade!

All of us in the Family Zubler are so happy and blessed to be part of the St. James family and we look forward to getting to know each and everyone of you better and better as time goes by.

You are a wonderful parish that truly cares about one another and understands the Gospel message of Christ to love one another as Christ loves us. We felt that love last week and are truly blessed to be making our home amongst you here in Fairhope and at St. James.

Blessings and Thanks,
Fr. Eric and Connie

ADULT CHRISTIAN FORMATION AT ST. JAMES

Monday Night Women's Bible Study
James: Mercy Triumphs

The Monday Night Women's Bible study will officially kick-off our fall study with a tailgate party on Monday night, September 11, at 6:30 in Green Hall. We will be wearing jerseys for our favorite team. Geaux, Tigers!!

This year our 8-12 week study will be on Beth Moore's James: Mercy Triumphs. The study books are available for $15.99 plus tax at Lifeway Book Store or online at Lifeway or Amazon. Allow a week for shipping. Come join us for an in-depth study of St. James.

Beth Moore describes her study in the following way:

James: Mercy Triumphs - Bible Book by Beth Moore provides a personal study experience five days a week plus viewer guides for the 8 video sessions of this in-depth women's Bible study. James, Jesus' own brother, started out as a skeptic. See how one glimpse of the resurrected Savior turned an unbeliever into a disciple. Bible scholars compare James to the prophet Amos. In other ways, James more closely resembles the Book of Proverbs than any other New Testament book. Topics in this study include: joy, hardship, faith, reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer. 8 video sessions with 7 weeks of print study.

Men's Tuesday Night Bible Study
The Book of James

class meets in the Vestry Room from 6:30 to 7:30 pm

The Men's Tuesday Night Bible Study group has just begun a scripture based study on what Jesus said about how Christians should act today. They will study the book of James (Jesus' half brother) for about 10 weeks. It is helpful if you spend about one hour each week doing homework. This class involves a scripture reading and answering questions in a fun and safe environment where class participants are encouraged to speak their mind. Some of the topics covered are:

- How to handle hard times and actually benefit from them.
- How to manage success.
- How to face our own sin and temptations.
- How true believers behave. How to know if you are a true believer.
- How to know if your faith includes a bias towards those that are different from you, including the poor.
- How to learn if your faith is dead and how to bring it back to life.
- How to determine if your tongue denies your faith.
- How to discern if according to God, you are pridelful.

Join the men on Tuesday nights for an eye-opening and fun time. These men hunger for the Word of the Lord and are trying to discover and fulfill God's designs for our lives. Books are $10. For more information, contact Gabe Chamblin at gchamblinw@aol.com.

The youth take and do many service projects and trips throughout the year. Recently, we took a trip to North Carolina and went rafting. It was a fantastic trip. We stayed in yurts and did so many things. The EYC went zip-lining, rafting, and swimming in the river. There was a waterfall and the view was amazing. This was certainly a trip to remember, so many friends and memories were made. I can't wait to go back.

St. James Episcopal Church • 860 N. Section Street • Fairhope, Alabama • (251) 928-2912
Saturday, August 12 I joined six other St. James parishioners as we traveled up to the beautiful part of Alabama known as the “Black Belt Region” for the fertile soil in that part of the state. We were headed to a county that once was the poorest in the nation, and like so much of our country, north and south, east and west, was affected by the Civil Rights Movement of the last century.

We went to the small town of Hayneville, Alabama where our region’s Episcopal Church martyr lost his life for the faith he sought to live out as a seminarian, but more importantly as someone who took the words of Jesus seriously – Do unto others as you would have them do unto you.

Arrested and imprisoned for joining a picket line Seminarian Jonathan Myrick Daniels was shot shielding an African-American girl over 50 years ago. Today Jonathan is honored by Episcopalians in our part of the country and his alma mater, VMI, for heroic defense of a fellow detainee on the steps of a small store just off the town square.

All of us walked that day from the center of Hayneville, to the jailhouse, to the small store, and back to the beautiful Antebellum county courthouse where Jonathan’s assassin was acquitted of murder charges. There we attended a special annual Eucharist where we were touched to realize how far our country has come in terms of Civil Rights.

However, looking at the morning news that day we also realized people are still marching on the other side as happened the night before our trip in Charlottesville, Virginia.

The devastating event of even one life lost due to someone standing up for what they believe in is one too many. We learned of nearly 25 people, back in 1950’s and 1960’s Alabama, who gave their lives. Hopefully all of us can better appreciate the sacrifice of so many for the freedom we enjoy as citizens of the United States, whether it be in the 1760’s, 1860’s or 1960’s.

Next August I hope we can fill our big, new black bus as we head to the Black Belt to honor once again the bravery and determination we benefit from as evidenced by the freedom guaranteed by our martyred forbearers in the United States and in the Church Universal.

Fr. Eric’s Reflections on the Jonathan Myrick Daniels Pilgrimage

Fr. Eric

Kevin, Tabitha and Lizzy Northrop began attending St. James earlier this year after building a house nearby in Fairhope. They said they were drawn by the beautiful worship and range of ministries at St. James, especially the active children’s and youth offerings.

Kevin is Director of Operations for Plant Development Services, Inc., while Tabitha is an editor and writer. Lizzy is in fourth grade at Bayshore Christian.

Kevin grew up in New Orleans and Pass Christian, Miss., and Tabitha is from Mobile. Lizzy is a lifelong resident of the Eastern Shore.

The Northrops are avid boaters and spend their free time on and around the water with their Labrador retriever, Max. Kevin is a lifelong sailor and shares an interest in tennis with Tabitha and Lizzy. In addition to tennis, Lizzy loves art, swimming, piano, and has just joined the Canterbury choir.

Lizzy and Tabitha said they enjoyed participating in VBS this summer and having the opportunity to meet fellow parishioners. The entire family has participated in outreach ministries over the years and Kevin was an usher at their previous church. Tabitha, who was recently confirmed when Bishop Russell visited last month, said they feel at home at St. James, and look forward to becoming immersed in the parish community.

Welcome to St. James

Please let Elaine Estefan know if you will be attending so that she can prepare the necessary materials. RSVP to Elaine: 990-0588; eestefan@bellsouth.net.

The WOW Group

The WOW Group will welcome Fall with a luncheon at Cafe Acadiana in Silverhill on Friday, Sept. 15. After lunch we will visit Silverhill Market Gift and Garden for dessert and a tour. We will carpool from St. James, leaving 10:45 am. Reservations: Contact Martha Smith at 901-834-1368.

MISSION TRIPS

Thank you to everyone who stopped by the Mission Trip table during Rally Day. I enjoyed speaking with many of you and am happy to answer any questions through email, phone call or text. My email is saintjameseyc@gmail.com and my cell phone is 251-597-5598. Below is an update on Mission Trips that are being planned for the congregation:

St. James is partnering with Spanish Fort United Methodist Church to travel to Costa Rica on June 16-23, 2018. While in Costa Rica, we will assist in building a church, hosting a VBS for the children of the congregation, and setting up a clothes closet for the congregation and people in the community. This trip is for families or unaccompanied individuals 15 years or older. It is a wonderful opportunity for families to be a part of a Mission Trip together. There are opportunities for all age groups and abilities on this trip. If you are interested in going to Costa Rica, please attend an informational meeting on Sunday, October 8 following the 11am service in Green Hall.

The youth have two trips planned for next spring and summer. One will be an international trip to work in an orphanage in Jamaica and the other will a home build in Tennessee. The Jamaica Trip will be for high school students and the trip to Tennessee will be for both middle and high school students. Adult chaperones are needed for both trips.

Finally, there is an adult trip to Cuba in the planning phase. I have been in contact with the US liaison for the Bishop in Cuba. I am working through the liaison’s office to identify projects for Adult members of our congregation.

At this time, the best way for our congregation to help the people of Texas affected by Hurricane Harvey is to donate financially. We will remain in contact with the Diocese of West Texas and individual churches to determine when mission trips to Texas will be appropriate.

Email Anne McEniry at saintjamesEYC@gmail.com if you are interested in going or have any questions about any of these Mission Trips.
