

The Daughters of the King

Mary and Martha of Bethany Chapter

After participating in a quiet day retreat with Mother Mary Jayne in February of 2020 our Daughters of the King Chapter hosted on March 7th the DOK Diocese of the Central Gulf Coast Spring Assembly and Eucharist celebrated by Bishop Russell Kendrick. Following that event, the Covid-19 pandemic prohibited, for six months, in-person meetings. During that time, our National Office and our Central Gulf Coast Diocese leadership provided our members through Zoom meeting programs opportunities for spiritual enrichment and connection with each other.

Throughout quarantine, our Daughters have faithfully maintained our Service of Prayer for our clergy, staff, parishioners, and all on our Prayer List. We have also remained financially faithful in our support of our St. James Seminarian, Kenneth White-Spunner.

In September, our Chapter reinstated our monthly meetings in Green Hall as we carefully adhered to Covid-19 safety guidelines. We have been imbued by the spiritual community these meetings have afforded us as we have resumed devotions and Christian study together. In December, our members generously contributed food and paper products to Prodissee Pantry.

Presently, our Chapter has suspended monthly meetings until Covid-19 vaccines can be dispersed throughout our area and we can ascertain that impact on the virus.

Our dedication of daily prayer continues as we look with hope to the opportunity in the near future of resuming our meetings, and to our mission of service and evangelism.

Respectfully,
Fonda Wilson, President
