

St. James   
EPISCOPAL PRESCHOOL

## Enrollment is Open!

We are incredibly excited to bring this new ministry to life! We will be welcoming our first class of preschoolers this fall, at the start of the upcoming school year.

If you would like to enroll your child at St. James Episcopal Preschool for the 2018-19 school year, please contact the church office at 251-928-2912 during regular office hours. (Note that the office is closed on Fridays.) Office staff will be happy to give you an application for enrollment and answer your questions about the school. We've outlined some basic information about the school on the reverse of this flyer.

Priority enrollment for members of St. James is ongoing through February, after which it will open to the wider community.

**St. James Episcopal Preschool:**

**within a nurturing Christian environment.**

## What are the school's hours?

7:30-5:30 M-F. The school day will end at 2:30, with after-school enrichment and free play following.

## How old does my child have to be to attend?

Students must be at least 30 months old to attend St. James.

## How big are the classes?

Each of our classrooms can accommodate 17 children, with two teachers per class. (The classroom staffing keeps with rules set by the Episcopal Church.) We will be making upgrades to Wilson Hall this spring to enlarge our smaller classrooms.

## Will the school be a Christ-centered environment?

Yes. Not only will our students attend weekly chapel and engage in activities that teach about the Bible, but our whole environment will be focused on setting a Christian example.

## Will it be open during the summer?

Yes. We will have a summer enrichment program in 2019, also open 7:30-5:30 M-F.

## What is the deadline for enrollment?

There is no deadline for enrollment, but we anticipate that we will fill up quickly. We encourage anyone who's interested in applying to do so during St. James' priority enrollment session, which ends Feb. 28.
